

THE CITY UNIVERSITY OF NEW YORK: JOB POSTING

New York City College of Technology

Title	Assistant Professor – Vision Care Technology
Payroll Title or Level	Assistant Professor/Optician
Location/Department	Vision Care Technology
Position Type	Teaching
FLSA Status	Exempt
Salary	Commensurate with education and experience.
College Web Site	http://www.citytech.cuny.edu/
Notice Number	
Closing Date	

The Vision Care Technology department seeks a full-time faculty member. This program, the only one of its kind in the CUNY system, prepares students for a career in eyeglass dispensing, ophthalmic fabrication and contact lens fitting. The curriculum includes a balance of theory and clinical practice in all aspects of the eye care profession. A graduate of the program may become a proprietor of an optical dispensing business or may secure a position as an ophthalmic dispenser, contact lens fitter, manager, ophthalmic assistant, ophthalmic sales representative or optical research technician. Our faculty is made up of licensed opticians who are active in the field.

Position Description and Duties

Responsible for teaching a range of vision care technology courses, academic advisement, curriculum development, and research leading to publication and professional presentations. Committee and departmental participation is required, as well as professional development activities.

Qualification Requirements

The candidate must have a Master's Degree, be ABO and NCLE certified and licensed in New York State in Ophthalmic Dispensing. Substantial experience in a responsible position in the field is a must. The ideal candidate will be well qualified to teach Ophthalmic Dispensing, Business Management and Retail Organization, Ophthalmic Fabrication, Anatomy and Physiology of the Eye, and Optics. Prior teaching experience at a college level in opticianry is preferred, as well as excellent communication and computer skills. Experience in curriculum development, instructional technology and innovative pedagogy desirable.
